OCLC SURVEY - DISTRIBUTIVE AUTOMATIC RECORD PROVISION

On shipping list 15,085, October 27, 1980, the OCLC Survey was forwarded to all libraries. The questionnaire is being mailed later than we had planned from this office, but we hope you will still be able to return it in the envelope which is provided to OCLC Inc., 1125 Kinnear Road, Columbus, Ohio 43212 by the November 14, 1980 date. QUARTERLY SELECTION UPDATE

We have begun to receive responses updating item selections. Remember that your printouts must be returned before November 28, 1980, to have any changes for your library activated on the next item selection update. Changes to Lists of Item Selections received after that date cannot be accepted. Thank you for your cooperation. If you have any questions regarding this print-out, please call (703) 557-9013 or 557-9026.

REMINDER ON CONGRESSIONAL HEARINGS AND COMMITTEE PRINTS SURVEY

The results of Survey 80-61A, item selection preferences for Congressional committee hearings and prints in either paper copy or microfiche, are being returned to this office very rapidly. The deadline is November 14, 1980. This closing date is necessary in order to allow time for the economic analysis which must precede the meeting of the Micropublishing Council, in order for the item numbers to become effective with the publications of the 97th Congress. If you have not returned your survey, please do so as soon as possible. If you did not receive this survey, please call (703) 557-9013.
